The screenshot shows a web browser window titled "Chat - Mozilla Firefox" with the address bar displaying "128.31.24.167:8080/prattle/". The chat interface features a "NuSlack" logo and a "Chat: Connected: DemoUser" status. A context menu is open over the "Group" tab, listing actions: "Create Group", "Add Member", "Add Moderator", "Delete Member", "Delete Moderator", and "Delete Group". The chat log shows two users connecting. The "Info" panel is currently empty.
